

## NEWSLETTER

SEPTEMBER 1995

# SEPTEMBER 17TH

That's a Sunday, and its the date of the next Old Dux meeting. Would all those who are going to come to the meeting please telephone Bob Hope (01554-890520) and give him the details of who and how many will be attending. The list will be given to Duxford security and will enable you to gain entrance through the main guardroom entrance(Not the public entrance) free of charge, from there you will be directed to a reserved car parking area. As before we will assemble outside the control tower at 12 Noon for 'booking in' before going on to one of the classrooms for the meeting proper.

Bob was trying to arrange a guest speaker, but no details have been finalised as yet.

Once again we must thank Steve Woolford for the entry arrangements and for the use of the class room, also remember that Steve is interested in stories and photographs relating to Duxford, particularly from ex-WRAF ladies, as he is keen to record what life was like at Duxford from the female point of view. Steve can copy any photographs you bring so there is no fear of treasured mementos being lost.

## Help Yourselfes

As the association is still in its early formative days the committee would be interested in hearing your views and suggestions as to what you expect from being a member of the association, any group such as ours is only as good as its members make it. The newsletter can always be used to canvas opinions on any ideas that are put forward, so speak up and lets hear from you.

## Subscriptions.

At he the last meeting it was agreed that a membership subscription be levied to build up a fund to help defray the running costs of the association, currently being paid for out of the committees own pockets. To date the response has been disappointing, with less than half the current names on the membership list subscribing.

Please have a re-think about joining and dig into those piggy banks . Donations and sponsors will also be gratefully received. Remember that future newsletters and news of any events etc will only be sent to paid up members.

Sorry , but that's the only way to be fair to all those who have subscribed.

## Data Protection Act.

Several members have asked for copies of the up-to date membership list ,but we have been informed that under the provisions of the above act we are prohibited from distributing such lists unless we have the express permission of all those featured on the list. Therefore in order to comply and remain legal all persons on the list are being asked to read the following statement AND RETURN TO ME; (Allan McRae)

I have placed your name and address on my computer,if you agree with this, or would like your details removed, would you please indicate your preference on the attached form. The names and addresses on the list will only be used by the Old Dux Association for the purpose of maintaining a membership roster and to enable members to correspond with each other.

I..... agree to my name remaining on the membership list.\*/wish to have my name removed from the membership list\*.
